Local Health Newsletter

Events Section

30th March 2024 Edition

This is the newly independent Events Section of our regular Local Health Newsletter. As the Events section has expanded we have decided to separate it from the main newsletter for greater clarity. Thanks to Gail for her help in compiling this listing.

Please note that the information contained in this newsletter is produced by the Patient Group (PPG) and doesn't necessarily reflect the views of the Rothschild House Group (RHG). **You should NOT use the [newsletter email address](#) to contact the Practice, it is solely for Patient Group newsletter use - this is [how to contact the Practice](#).** We encourage all newsletter readers to become a member of one of the patient groups, and contribute to helping us maintain the high standards of local healthcare to which we all aspire. The next newsletter and events section will be published on 2nd March.
